

# Fundraising: Fall Bash

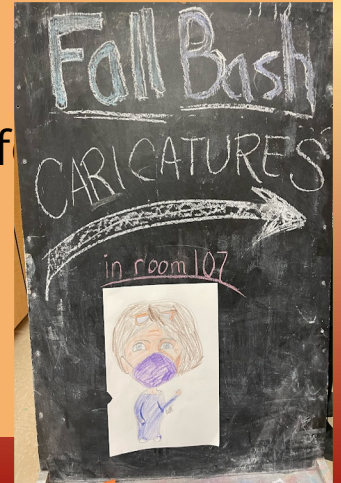

Presented to you by Desert Ridge  
Middle School

# Fall Bash- Planning

- ❖ We sold tickets to raise money for Make A Wish.
- ❖ Our goal was about 2,000 dollars but we almost raised 5,000 dollars
- ❖ The tickets were used for games that kids could play.
- ❖ The games were created by advisory classes.
- ❖ When kids won a game they earned a prize.
- ❖ We promoted the event through the announcements

# The event

- Although we were not sure how many students would want to participate we raised almost double our goal of \$2,000
- The Fall Bash was a lot of fun and we had many creative ideas for the booths
- To keep classes motivated to make good booths, the booth that got played the most won a donut and hot cocoa party for advisory class.

# How we did it!!!

Fall bash was about 2 hours of fun. Students would walk around the school and play different games. At the end we would meet back at our advisory classes and talk about it. Fall bash was really fun this year and kids signed up in their advisory classes to work their booth at different times, so everyone got to have fun.
